

# Looking for Interreg Europe partners

Topic: **Green Europe**

Specific objective:

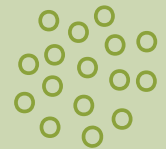

*Protection and preservation of nature and biodiversity,  
green infrastructures, pollution reduction*

Proposal title: ***Greener and sustainable growth with SDGs***  
*Sustainable Development Goals*

Project idea: **policy improvement for a greener and sustainable development**

Interreg Europe focusses on the improvement of policy instruments by policy responsible authorities.

We wish to learn good examples, best practices of public authorities, NGOs and businesses in this topic, and to improve policy instruments through the lenses of the Sustainable Development Goals developed by the UN in 2015.

# CALL FOR PARTNERS

The **Harghita County Council** will be the project leader.  
We have experience as partner in several Interreg projects.

The **Odorheiu Secuiesc Community Foundation**  
is already our partner in this project with experience  
in application writing and management.

We are looking for project partners, who meet with one or more of these **requirements**:

- Have a policy instrument related to local or regional development which should be improved and harmonised with SDGs
- Have a policy instrument that is lacking the protection and preservation of nature and biodiversity, lacking aspects related to build sustainable cities and communities and you wish to improve it
- Have good experiences in working with SDGs as strategical compass

*If so, please, get in touch with us!*
