Consortium of Vocational Trainings

THE AIMS OF THE PROGRAMME

EDIOP 5.2.5-16

Supporting the employment of young qualified NEET's below 25

The enterprises employ the trainees for 9 months, in full time, with wage subsidy and then continue to employ them for additional 4-and-a-half months at their own cost.

(In the new version 6+3 month employment)

Support is available

- for wages and social contributions of the trainee and mentor
- costs of equipment required for employment of trainee.

SUPPORTED SMEs BY COUNTIES (2018, 2019)

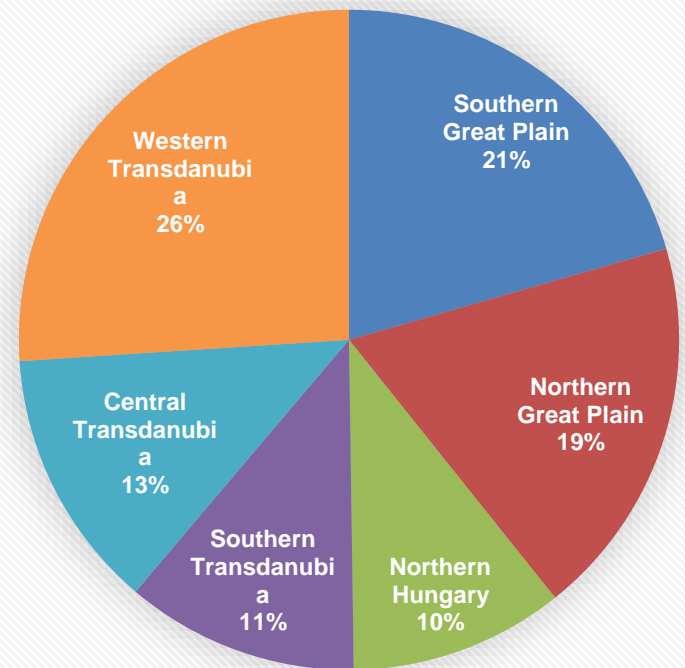

RESULTS OF TRAINEESHIP PROGRAMMES

Final results of Traineeship Programme (2016-2019)

Results of new Traineeship Programme (2019)

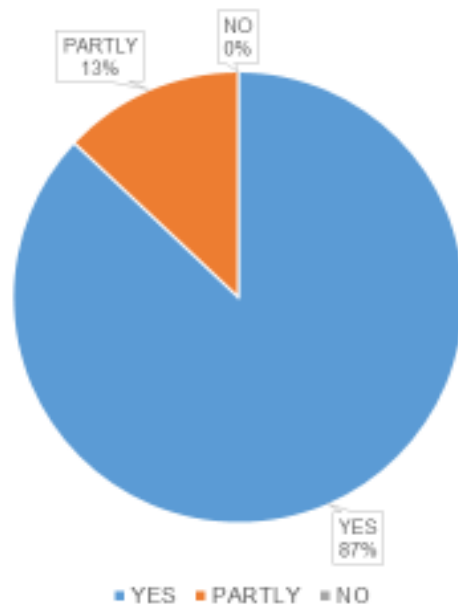

EXPERIENCES / CONSEQUENCES

- Improved co-operation with SMEs
- Local co-operation was strengthened
- The Vocational Training Centers developed into information and advisory network
- Dual training system can make the transition more effective (Vocational Training 4.0)  more attractive vocational training
- Knowing the value of one's own labor market, e.g. subsidies for career starters as an asset
- Informing graduate students is essential.

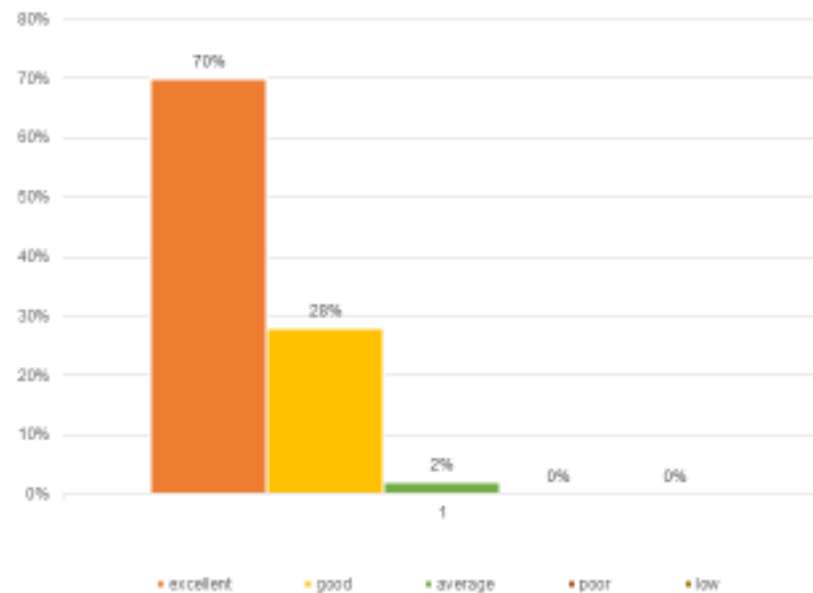

FEEDBACK

Companies opinion about the Internship Programme

Has the Internship Programme been able to add to your company's development?

How successful was the Internship Programme for your company?

THANK YOU FOR YOUR KIND ATTENTION!
