29 May 2018 | Webinar Cultural Heritage & Tourism

Focus

1. Heritage in coastal regions
2. Heritage as a strategic resource
3. Regional policy development:
evidence-based &
stakeholder-oriented
4. Public sector
5. Private sector
6. Intergrational function of events

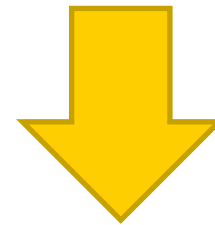

Advantages

Within Hericoast

- Basis of interregional learning
- Binding together good practices
- Knowledge database
- Tangible product for stakeholders & politicians

Outside Hericoast

- Policy challenges and expertise of colleagues
- Abstract + concrete
- General + specific
- Attention for heritage & tourism

Sustainable regional
revelopment

Disadvantages

Within Hericoast

- Focal point of differences between partners
- Integration of harvest remained a challenge
- No integration in Policy Learning Platform
- Actual interregional learning remains unspecified

Outside Hericoast

- No integration in PLP
- Challenges => coast-specific?
- Toolbox is not the hardware store!
